PROFILE

R. Gordon R. McInally

RI President 2023-24

Gordon R. McInally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

McInally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

"We have learned there is a willingness within communities to care for one another," he says, "and we must ensure that we encourage people who have recently embraced the concept of volunteering to join us to allow them to continue giving service."

McInally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "face-to-face meetings remain important, as they encourage greater interaction."

The best way to increase membership is engagement, according to McInally. To better support clubs, he says, Rotary International, regional leaders, and district teams all need to engage with them.

Engagement through social media will reinforce Rotary's brand and showcase the opportunities that come with it. And, he says, engagement with governments, corporations, and other organizations will lead to meaningful partnerships.

With better engagement, McInally says, "We will grow Rotary both by way of membership and in our ability to provide meaningful service."

He adds, "Membership is the lifeblood of our organization. I would encourage the use of the flexibility now available to establish new-style clubs that would appeal to a different demographic."

McInally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

A Rotary member since 1984, McInally has been president and vice president of Rotary International in Great Britain and Ireland. He has also served Rotary International as a director and as member or chair of several committees. He is currently an adviser to the 2022 Houston Convention Committee and chair of the Operations Review Committee.

McInally and his wife, Heather, are Major Donors and Benefactors of The Rotary Foundation. They are also members of the Bequest Society.

MESSAGE

R. Gordon R. McInally
RI President 2023-24

Dear fellow Rotary leaders,

As we begin a new year of service, let us not forget the importance of every one of Rotary's members.

You have been handed the reins of club and district leadership at an historic moment. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and empowering girls and women.

Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us hope that we can create lasting change. But in the wake of the COVID-19 pandemic, more people than ever feel hopeless. Many have lost people close to them. Social networks have been uprooted and divisions have grown wider as opportunities for connection have been lost.

To make matters worse, in many parts of the world, asking for help — especially in the realm of mental health — is considered a weakness. But nothing could be further from the truth. It is brave to be vulnerable and to admit you don't have all the answers.

Reaching out for help is courageous — and continuing on a path towards wellness is even more so.

Join me in making Rotary a source of strength for all of those who feel they have lost hope, within and beyond our membership. Let this be the year we Create Hope in the World, and let Rotary be known as an organization that takes care, not only of its members but of the people we serve as well.

It is within your power to help bring peace and soothe those afflicted by conflict, both in their communities and in themselves.

Remember that your work can and will Create Hope in the World.

Warmest Regards,

R. Gordon R. McInally
President, Rotary International 2023-24

PROFILE

Anirudha Roy Chowdhury

R.I. Director 2023-25 (Zone 5 & 6)

Anirudha Roy Chowdhury is an electrical engineer and first-generation entrepreneur. In 1980, he took out a small loan to form the Zoom 16 Color Film Laboratory. Today, the Zoom enterprise (not related to the online meeting platform) employs more than 250 people and specializes in digital imaging, 3D printing for medical applications, and large-format printing. Roy Chowdhury's enterprises also span other business segments, including electrical motors and drives, health care diagnostics, and pharmacies.

Roy Chowdhury joined Rotary as a charter member of his club in 1995. During his tenure as district governor, he added 450 members and 11 new clubs and helped raise district contributions to The Rotary Foundation to $613,000. He has since served RI as Rotary public image coordinator, assistant Rotary coordinator, assistant Rotary Foundation coordinator, and a five-time RI president's representative, and as a member of The Rotary Foundation's Cadre of Technical Advisers. He also served on the board of trustees of the Eastern India Rotary Welfare Trust.

During his first years in Rotary, he was involved in social mobilization and working with the Muslim community on National Immunization Days in India. While out in the community, he observed problems such as the lack of potable water and children who were not in school. "That experience transformed me quickly to be a service-oriented person," says Roy Chowdhury.

Passionate about promoting literacy through Rotary, he is serving as a member of the executive body of the Rotary India Literacy Mission, which provides free digital content and is targeting 27 million school students. He has also helped lead Rotary Foundation global grant projects to train doctors in Lesotho in orthopedics and eye surgery. Roy Chowdhury says he is eager to take the next step in Rotary leadership as a director, but that it is important to stay humble. "At the end of the day, I am just a Rotarian, and my passion is to serve the community in the capacity I can," he says. "We are all working with the same objectives in mind."

Roy Chowdhury has been active in regional business organizations, including Bengal National Chamber of Commerce, the Federation of Small and Medium Industry, and the Calcutta Chamber of Commerce, where he currently serves as a board member. He also established the Zoom Foundation, which promotes health causes such as funding a hematology diagnostic center to treat children with thalassemia.

PROFILE

T.N. "Raju" Subramanian

R.I. Director 2023-25

T.N. "Raju" Subramanian is a senior counsel, working in India's High Court and Supreme Court systems. He earned degrees in economics and law from Mumbai University. His civil law clients have included multinational corporations, state and local government, Board of Control for Cricket, and educational institutions. He has also taken on pro bono work representing clients in AIDS discrimination cases as well as environmental cases.

Subramanian joined Rotary in 1987 as a charter member of his club. He has volunteered in club projects ranging from administering polio vaccine during National Immunization Days to supporting his club's global grants project that provides free pediatric heart surgery in low-income communities.

One of his greatest Rotary moments was seeing the children who were positively impacted by one of the club's school projects, which teaches English, computer literacy, and life skills to kids who would otherwise have limited opportunities to learn outside their native language. "It was satisfying to see how some moved on to graduate to become chartered accountants, architects, and engineers," says Subramanian. "It helped them see that there is a large life ahead of them."

He has served RI as a member of the Election Review Committee, the Constitution and Bylaws Committee, and the Council on Legislation Organizing Committee. Subramanian also served as Rotary institute chair, training leader and support training leader, regional Rotary Foundation coordinator, and director of the Rotary Fellowship for past district governors. His two most challenging Rotary roles have been serving as training leader and as vice chair of the 2022 Council on Legislation, when he had to lead the meeting after the chair fell ill with COVID-19.

Subramanian and his wife, Vidhya, support The Rotary Foundation as Paul Harris Society members, Arch Klumph Society members, and Benefactors. Subramanian is a recipient of the Service Above Self Award and The Rotary Foundation Citation for Meritorious Service.

As you browse through the pages, you will realise the measure of importance attached to it as it purports to provide a comprehensive detail of all the District leaders, District Chairs, the calendar of activities, and necessary details of club Presidents, Secretaries as a first hand, ready reference of great import in communication. It also serves as a mini encyclopaedia of Rotary knowledge to understand the vision of Rotary, and glean information about the Rotary district and it's committed goals for the year at hand. It has valuable resources about the organisation, The Rotary Foundation, District functionaries for the current year and other information related to RI and the District. Collection and updating of such a vast body of information requires meticulous attention to detail and immense patience.

Keeping in mind the RI Theme for the current year to "Create Hope in the World," RI President, Gordon McInally wants every Rotarian to exercise her/his talents, resources and enterprise towards the common goal of "creating Hope" by serving selflessly to create a better world. This detailed information can help you to communicate effectively.

With deep appreciation, I am honored and delighted to be in the District Directory team under the leadership of First Lady Governor Jayashree Mohanty after 76 years of Rotary service in Odisha, it is a privilege for me to be appointed as the Content Editor of the District Directory for the Rotary year 2023-24.

Beginning my Rotary adventure in District Directory team, as newcomer to the Rotary family, found this experience to be an enriching odyssey of discovery and personal growth. Delving into the intricate web of Rotary protocols, I gained profound insights into the dynamic world of regional and international leadership, broadening my understanding of the organization's global impact.

The heart of this memorable experience lies in the collaborative efforts with the charismatic District Governor, Jayashree Madam. The late-night discussions, sometimes stretching till 3:00 AM, were not just about work but were moments etched with shared dedication and commitment to Rotary's noble cause. The governance under her leadership left an indelible mark on my Rotary journey.

Moreover, the joyous camaraderie established while working closely with Nihar Bhai and the vibrant energy brought by Rekha Madam added a delightful dimension to the overall experience. As a newcomer, every moment spent contributing to the Rotary legacy has been savored, and the journey has been marked by a genuine passion for service. This role has not only deepened my understanding of Rotary but has also ignited a lasting commitment to its ideals and principles.

Navigating the intricacies of collecting and organizing all content proved to be a formidable task, especially as a new Rotarian. I sought to undertake this responsibility with diligence and dedication, but I acknowledge that there may be room for improvement. Please excuse any oversight or mistake, as my commitment to learning and contributing to the Rotary will persist.

ROTARY INFORMATION

CREATE HOPE
in the WORLD

What's Rotary ?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change -across the globe, in our communities, and in ourselves.

Solving real problems take real commitment and vision. For more than 115 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects.

Rotary clubs exist in almost every country. Our members change lives locally and connect with other clubs to work on international projects that address today's most pressing challenges. Being a member is an opportunity to take action and make a difference, and it brings personal rewards and lifelong friendships in the process.

The name Rotary was selected by early members because meeting locations rotated among their offices.

WHAT WE DO

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Supporting Environment

HOW DID WE GET HERE ?

We've been making history and bringing our world closer together for over 115 years. The first Rotary club was started in Chicago, Illinois, USA, in 1905 by an attorney named Paul Harris. Harris wanted to bring together a group of professionals with different backgrounds and skills as a way to exchange ideas and form meaningful acquaintances. In August 1910, the 16 Rotary clubs then in the United States formed the National Association of Rotary Clubs, now Rotary International. In 1912, Rotary expanded to a few more countries, and by July 1925, Rotary clubs existed on six continents. Today, there are more than 35,000 clubs, in almost every country in the world. THE FOUNDER OF ROTARY PAUL PHARRIS

Paul P. Harris
THE FOUNDER OF ROTARY

Rotary started with the vision of one man — Paul P. Harris

Harris was born on 19 April 1868 in Racine, Wisconsin, USA. At age 3, he moved to Wallingford, Vermont, where he grew up in the care of his paternal grandparents. He attended the University of Vermont and Princeton University and received his law degree from the University of Iowa in 1891.

In 1896, Harris settled in Chicago and opened a law practice. Four years later, he met fellow attorney Bob Frank for dinner on Chicago's North Side. They walked around the area, stopping at shops along the way. Harris was impressed that Frank was friendly with many of the shopkeepers. He had not seen this kind of camaraderie among businessmen since moving to Chicago and wondered if there was a way to channel it, because it reminded him of growing up in Wallingford.

"The thought persisted that I was experiencing only what had happened to hundreds, perhaps thousands, of others in the great city. ... I was sure that there must be many other young men who had come from farms and small villages to establish themselves in Chicago. ... Why not bring them together? If others were longing for fellowship as I was, something would come of it."

Harris eventually persuaded several business associates to discuss the idea of forming an organization for local professionals. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in downtown Chicago for what would become known as the first Rotary club meeting.

In February 1907, Harris was elected the third president of the Rotary Club of Chicago. Toward the end of his presidency, he worked to expand Rotary beyond the city. Some club members resisted, not wanting to take on the additional financial burden. But Harris persisted, and by 1910, Rotary had expanded to several other major U.S. cities.

Harris recognized the need to form a national association with an executive board of directors. In August 1910, Rotarians held their first national convention in Chicago, where the 16 existing clubs unified as the National Association of Rotary Clubs (now Rotary International). The new association unanimously elected Harris as its president.

At the end of his second term as Rotary president, Harris resigned, citing ill health and the demands of his professional practice and personal life. He was elected president emeritus by convention action, a title he held until his death.

Harris died on 27 January 1947 in Chicago at age 78, after a prolonged illness. Before his death, he made it known that he preferred contributions to The Rotary Foundation in lieu of flowers. By coincidence, days before he died, Rotary leaders had committed to a major fundraising effort for the Foundation.

Upon news of his death, Rotary created the Paul Harris Memorial Fund as a way to solicit these donations. Rotarians were encouraged to commemorate the late founder of Rotary by contributing to the fund, which would be used for purposes dear to Harris' heart. In the 18 months following his death, The Rotary Foundation received $1.3 million, which helped support the Foundation's first program — scholarships for graduate study abroad.

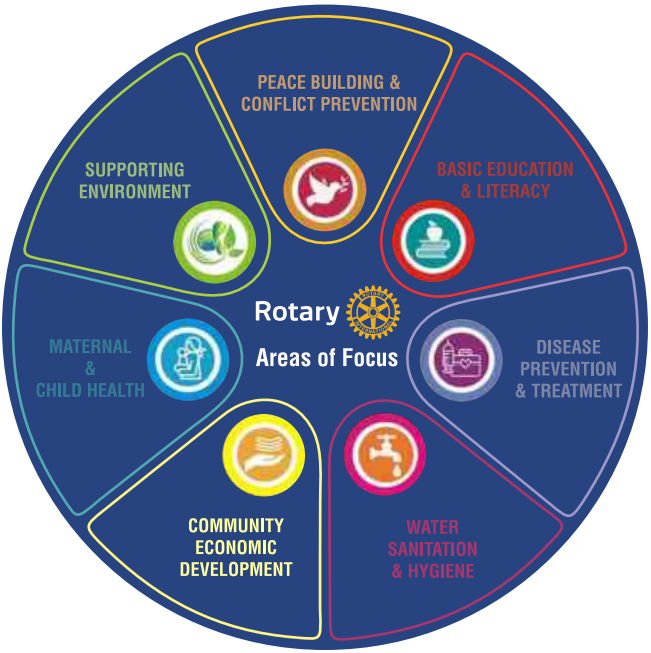
FOCUS AREAS OF ROTARY



7 Areas of Rotary Service

The Trustees of The Rotary Foundation have identified seven areas of focus for the new grant structure. These areas reflect critical humanitarian issues and needs that Rotarians are addressing worldwide.

Our Causes

- Promoting peace. Rotary encourages conversations to foster understanding within and across cultures.
- Fighting disease.
- Providing clean water, sanitation, and hygiene.
- Saving mothers and children.
- Supporting education.
- Growing local economies.
- Protecting the environment.

ROTARY FOUR-WAY TEST

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

जो हम सोचते हैं, करते हैं, कहते हैं क्या वह

1. सच है?
2. सब के लिए उचित है?
3. सद्भावना, भाईचारा और मित्रता बढ़ाते हैं?
4. सब के लिए लाभदायक है?

Rotary Year
01st July -30th June

Ever wonder why 1st July is the beginning of the Rotary year? Initially, our conventions played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18th August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21st August.

Attendees at Rotary's first convention in Chicago in 1910. Rotary's first fiscal year began the day after the convention ended.

The next August, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30th June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and to determine the proper number of club delegates to the convention.

The executive committee agreed and, in April 1913, designated 30th June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even The Rotarian changed its volume numbering system to correspond to the fiscal year (beginning with Volume 5, No. 1, in July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in The Rotarian that July noted, "The Rotary year that is rapidly drawing to a close has been signalized by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30th June.

WHY JOIN ROTARY

Friendship : In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

Business Development: The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.

Personal Growth and Development: Membership in Rotary continues one's growth and education in human relations and personal development.

Leadership Development: Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: – learning how to motivate, influence, and lead leaders.

Citizenship in the Community: Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.

Continuing Education: Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation, and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

Fun: Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

Public Speaking Skills: Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

Citizenship in the World: Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcomed– even encouraged – to attend any of the 35,000 clubs in more than 200 nations and geographical regions. This means instant friends in both one's own community and in the world community.

Assistance when Traveling: Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

Entertainment: Every Rotary club and district has parties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies, and institutes that provide entertainment in addition to Rotary information, education, and service.

The Development of Social Skills: Every week and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

Family Programs: Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

Vocational Skills: Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

The Development of Ethics: Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

Cultural Awareness: Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

RI PRESIDENTS AND PRESIDENTIAL THEMES
1905-2023

The National Association of Rotary Clubs of America (now Rotary International) formed in 1910 and elected Paul Harris as its first president. Harris is the only person to serve two terms as RI president. This makes Glenn C. Mead the second president, Russell F. Greiner the third, and so on. Note: Rotary bases its anniversary on the February 1905 founding of the Rotary Club of Chicago, making 2004-05 Rotary's centennial year.

The RI president may select a motivational theme to be observed during the president's year in office. The tradition of crafting a theme is credited to Percy C. Hodgson, 1949-50 RI president. It took a few years for themes to become an annual tradition. There was not a theme for 1951-52 or 1952-53.

The Rotary Foundation

The Rotary Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world".

The Rotary Foundation is a non-profit organisation that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions.

Since it was founded more than 100 years ago, the Foundation has spent more than $4 billion on life changing, sustainable projects. It transforms your gifts into service projects that change lives both close to home and around the world. The agenda is to help Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment and alleviating poverty.

In 1985, Rotary Launched its PolioPlus programme, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary has immunized nearly 3 billion children against polio.

Through global grants Rotary foundation creates impact across the world in 7 focus areas.

The Rotary Citation is an award that recognizes the hard work clubs do throughout the year. Taking action toward achieving the citation goals helps clubs engage their members, stay relevant in their communities, and run more efficiently. A welcoming and engaging club also reflects the values of Rotary. When clubs work to achieve these goals, they also contribute to the overall health and culture of Rotary for generations to come.

To be eligible for the Rotary Citation, clubs need to begin the year as active clubs in good standing – or having paid each invoice balance in full upon receipt. To verify that your club is in good standing, check your daily club balance report under Club Administration > Club Finances. You should have an outstanding balance of $0.00. Invoices are due when they are posted, in mid-January and mid-July.

Rotary club leaders can go into Rotary Club Central and select at least half of the goals they wish to apply toward citation achievement. This flexibility allows clubs to choose the goals that are most relevant and achievable. In addition, many goals will be self-reported by marking "achieved" in Rotary Club Central.

To achieve the citation:

- Go to Rotary Club Central
- Review the available goals
- Set at least half of the available goals
- Achieve those goals
- Report achievement in Rotary Club Central by 30 June.

Once you are in Rotary Club Central, navigate to the **Goal Center**, select the **year**, and click on the **All tab** to see the goals.
